AssessType2 Score	96.5
Business Aligned Project Score	100
Business Feedback Score	81.666666669999998
SME Evaluation Score out of 5	3
Performance Health Score	92.343333329999993
Performance RAG Status	Green
Professional development	
Industry standard English language assessment	Beginner

Note: Based on the results of a successful SME evaluation & an industry standard English language assessment, your internship has been certified.

Instructions on next steps:

- Weekly hotline call will be planned for all the interns who are graduated, request you to join at least one call to know more about the onboarding process, required documents for joining and get your queries clarified.
- Based on your performance during Internship and the business demand, your onboarding as full-time employee will be prioritized.

We wish you the best towards your successful Engineering graduation and we look forward to your joining Cognizant!
